Mission Statement:

Honoring Christ - Faithful to Scripture - Welcoming Fellowship

Purpose Statement:

We are a non-denominational Christian community that meets for the purpose of encouraging each other's faith in Jesus Christ, understanding biblical truths (Romans 1:12 NIV), and developing Christ-like living including prayer, fellowship and a world vision. We generate programs initiated and led by residents so that they may be encouraged in heart and united in love, (Colossians 2:2 NIV).
